

## Welcome to the CineSat Support Pages

---

### CineSat Support Pages re-located and updated

On June 30th, the CineSat Support Pages have been moved to a new location, a new operating system, and an up-to-date, secured software environment.

The new web service has been carefully tested. If you should experience any problem, please contact your CineSat Support Team.

---

This is your entry to more information about the CineSat™ software.  
This web area provides you with

- Up-to-date system documentation
- Software downloads

You need to log in to access all areas.

If you want to get access to the CineSat Portal or have any questions about it, please [contact us](#).
